Sabree Transport

Building Trust One Mile At A Time

Professional boat transport services across the United States

Made with GAMMA

Who We Are

Sabree Transport is a licensed, insured, and DOT-compliant boat transport company based in North Charleston, SC. We specialize in nationwide marine hauling for residential clients, marinas, and businesses — transporting powerboats, sailboats, yachts, and catamarans safely across the United States.

Operating under USDOT, our experienced team handles every haul with professionalism and care. From Florida to New York and coast to coast, our reputation is built on reliability, transparency, and a pro-customer attitude.

What We Do

Sabree Transport provides professional boat hauling and marine transport services across the United States. Whether you need a single vessel moved across state lines or a recurring marina delivery schedule, we have the equipment, expertise, and DOT compliance to get it done.

Trailer Transport

Smaller boats and standard vessels

Custom Cradle Carriers

Yachts and sailboats

Flatbed Shipping

Oversized vessels with special permits

Every shipment includes comprehensive cargo insurance and real-time coordination from pickup to delivery.
